

S.T.E.M. House Project Showcase!

Students have worked very hard designing, engineering, building, and computing. They have studied the weather and climate for where they built their houses! Come see what they did!

When: Wednesday March 6!

Who: Family and friends of 333 students!

Where: Beebe Small Gym (room by the lobby)

Time: 1:30-2:00

Why: We finished our S.T.E.M house project!
