

## FORESTDALE SCHOOL COMMUNITY

### WE NEED YOUR HELP!!!!

Malden is Moving! is collecting data on how your child or children get to school and home everyday! The last raw data collected was in May of 2012 and indicated that about 14% of Forestdale students walk to or from school. So we can have the most up to date information please go to;

[masaferoutessurvey.org](http://masaferoutessurvey.org)

The survey is online, quick and in nine different languages!

**ACT FAST the SURVEY will be active online for only two weeks!!**

Starting December 2<sup>nd</sup> until December 16<sup>th</sup>

*(the link will also be available on the Forestdale PTO website)*

THE SAFE ROUTES TO SCHOOL PROGRAM /Walking and bicycling to and from school helps children be physically active, perform better in school, feel a sense of responsibility, enjoy the outdoors, and socialize with friends and family. It also reduces traffic, the number of personal vehicle trips, improves air quality, and supports the growth of Massachusetts communities.
