WHO LOVES YA, BABY!
'Bailey' the Soccer Dog

'Bailey' the Malden High 'Soccer Dog' was front and center at East Boston Stadium. She was there for this past Friday's showdown and 1-1 tie between the Malden High School Boys Soccer team and host East Boston Jets.

MALDEN HIGH SCHOOL VISION STATEMENT

The Malden High School community believes in the potential of all students to learn, to grow and to become active, conscientious participants in the 21st century global society. We believe that students learn most effectively in a safe, respectful environment that encourages diverse viewpoints, promotes critical thinking and perseverance and establishes vigorous standards for all. We honor the diverse nature of our Malden community, promote social awareness and community involvement and strive to meet the needs of all students through innovative methods and continued professional development. We are committed to ensuring that Malden High School graduates are thoughtful, independent, purpose-driven lifelong learners. We seek to equip all students with the skills and habits necessary to successfully navigate and contribute to our ever-changing world.

CONGRATULATIONS to the WONG & PAYEUR families on their Recent Arrivals!

MHS teacher Mr. Brian Wong & wife Angela welcomed Maya Zi Wai Wong to the world on Oct. 14... Teacher Jayson Payeur & wife Silvia have a new daughter also, Savannah, on Oct. 24

THAT WINNING SMILE!

Malden High junior Reggie Charles is all smiles and for good reason: He just scored a touchdown on a 21-yard run to lift the Tornado JV football team on their way to an 8-6 victory on the road versus Greater Lawrence Monday. NICE JOB REGGIE!!

Happy Halloween

ATTENTION MALDEN HIGH! Due to the former Ms. Julie Snyder's recent marriage, she is now Julie Fox. This of course means there are now TWO 'Julie Fox' teachers @ MHS. To reach Julie Fox-Physics teacher.. jfox@maldenps.org To reach Julie Fox-Latin teacher jsnyder@maldenps.org

WHO KNEW? Choral Arts says the Jenkins entrance foyer has great acoustics!

Restorative Practices Team reminds Malden High School faculty on 'circles' requirement for the 2017-18 academic year

The Restorative Practices Team met this past week to discuss circles within the high school. We wanted to remind everyone that you must complete two circles before the end of 2017. It was suggested by the team that as the end of first quarter approaches, a circle is a good way to check in with students about their progress in your classes. Below is a sample circle guide that you can follow. Feel free to pick and choose which questions to use as there may not be enough class time to complete all questions. Please feel free to reach out to any member of the Restorative Practices Team if you would like assistance in completing a circle. Throughout the year, we will send out additional templates for you to use during circles.

Thanks,

Intensive course offered for certification as a Dyslexia Practitioner

Assistant Superintendent Sandy Donah informs us that Malden Public Schools is offering Orton-Gillingham Training to Malden Unit A educators who are interested in becoming certified as a certified Dyslexia practitioner. There is a cap of 10 teachers from the Malden Public Schools who may take this course at NO COST (tuition is customarily \$3,200). Those interested must email sdonah@maldenps.org by October 31.

This is a very rigorous course with 45 hours of seminar along with a 100 hour practicum (2 students must be tutored- each student gets two one hour sessions a week for a total of four hours of tutoring). There are quizzes and book reports as well as a final exam and a competency component for the practicum.

The seminars will occur once week after school for 3.5 hours. classroom teachers, Special Education Teachers and Related Services are all welcome to be trained.

From the Desk of Assistant Supt. Keenan

Assistant Superintendent for Curriculum & Assessment Carol Keenan informs us that Mass. DESE has created very user-friendly two-page guides called "What to Look For Guides" for each grade level in ELA, Math, and Science which can be found at the following link broken down by grade level and subject area. Excellent resource!
