Volume 11, Number 31/40

Good morning,

I hope everyone had a great weekend...this week we finish strong before we head off to April vacation. Speaking of strong; please wear a Boston Strong or Malden Strong shirt tomorrow as we remember the victims of the Boston Marathon bombing.

Today marks the two year anniversary of the passing of one of the all-time good guys, Paul "Fam" Famiglietti. Paul's presence is still missed by all.

We welcome back Cara Joyce today....

Please get me any Got Grit nominations by 3 pm today. We will host a Got Grit Breakfast during block 2 on Friday, April 18th.

I wish a blessed Passover to our Jewish friends in the Malden community.

Malden High School Vision Statement

The Malden High School community believes in the potential of all students to learn, to grow, and to become active, conscientious participants in the 21st century global society. We believe that students learn most effectively in a safe, respectful environment that encourages diverse viewpoints, promotes critical thinking and perseverance, and establishes rigorous standards for all. We honor the diverse nature of our community, promote social awareness and community involvement, and strive to meet the needs of all students through innovative methods and continual professional development. We are committed to ensuring that Malden High School graduates are thoughtful, independent, purpose-driven, lifelong learners. We seek to equip all students with the skills and habits necessary to successfully navigate and contribute to our ever-changing world.

Please feel free to fill in open slots for the H206 computer lab for next week. ***The computer lab will be unavailable during Period 1 for the remainder of the year, as a class is now being held there.*** Be sure to write your name next you each lunch block you intend to use. Go to the following link to access the sign-out:
<https://techsignup.wikispaces.com/home>

Also, please lock the door from the inside using your bathroom key on your way out. We have had a problem with students using computers without supervision and computer mice going missing, as well as missing items from the adjacent room. If the door is locked when you arrive, Jenelle Baldassari in H203 has the key.
Please email me if you encounter any computers that are not working.

Congratulations to our Robotics Team and their advisors Chris Bazziniotti and Brian Morrison for their 4th place finish in the New England Botball Tournament held this past Saturday at the University of Massachusetts at Lowell. This is the highest finish in our history of competing.
