Malden High School Vision Statement

The Malden High School community believes in the potential of all students to learn, to grow, and to become active, conscientious participants in the 21st century global society. We believe that students learn most effectively in a safe, respectful environment that encourages diverse viewpoints, promotes critical thinking and perseverance, and establishes rigorous standards for all. We honor the diverse nature of our community, promote social awareness and community involvement, and strive to meet the needs of all students through innovative methods and continual professional development. We are committed to ensuring that Malden High School graduates are thoughtful, independent, purpose-driven, lifelong learners. We seek to equip all students with the skills and habits necessary to successfully navigate and contribute to our ever-changing world.

Students...and Staff...

Thank you for your hard work and sense of seriousness over the past couple of weeks. The ways in which all of us have been able to support each other is encouraging and will lead to success as we move forward. It's been a great start. Thank you.

STAFF:

Hi everyone and welcome back!

We are already in full swing at Malden High School and are gearing up for a fun fall musical.

This year we will present **"Shrek, the musical"** the first weekend of December. I am music director and am responsible for putting the pit orchestra together. I still have several openings available and would love to get some volunteer players that have some "chops". We only have about 5 rehearsals before production week to pull everything together, so players should be either good readers (musical score) or be able to pick things up very quickly by ear. You or anyone you know may be interested in giving a little time to a great cause, please send me back a quick note and I'll follow up with you/them individually! In addition, we usually have a lot of fun throwing a musical score together in such little time!

Thanks, and I hope to see many of you at the production in December even if you can't join us in the pit!

The computer lab H206 is now available to sign out for the **week of 9/15-9/19**. Please go to the following link to access the sign-out.

Also, it was suggested that we keep a log for computers that appear to be having issues in the room. You will find a list tacked to the board near the teacher's computer. If you encounter an issue, please put it on the list so that future teachers are aware when they come in. Then, please report any problems to technology.

Also, please lock the door from the inside using your bathroom key on your way out. We have had a problem with students using computers without supervision and computer

mice going missing, as well as students entering the adjacent rooms. If the door is locked when you arrive, Jenelle Baldassari in H203 has the key.

Sincerely,
