## Students...and Staff

Good morning,

Welcome back from a beautiful weekend; the great weather is a bonus at this time of year.

The school was a happening place this weekend with athletic teams busy in soccer, football, and cross country. Our teams are off to a great start this fall.

The Class of 1969 celebrated their reunion this weekend (Kathy DeVito) and some of our Key Clubbers and members of the Class of 2016 served as tour guides on Saturday.

About 40 juniors and seniors have signed on for the Let's Get Ready SAT Prep Program and many of them were here Saturday for the first diagnostic. It's not too late to sign up. See Ms. Belowsky in the Holland House Office.

**All proceeds benefit the Bread of Life which provides meals and groceries to needy families in Malden and surrounding communities. Members of our Captains Council are raising pledges to support the cause.**

**Please read the message below, written by the Blue and Gold editors, about the 100th year.**

In light of the 100th volume of *The Blue and Gold* Newspaper (2014-2015) and the centennial year (2015-2016), we have plans to celebrate a century of student-run journalism at Malden High School, beginning this academic year and continuing next year as well.

We will be hosting an oral history event on November 15th, 2014. This will be a chance for alumni of *The Blue and Gold* to share their experiences and reconnect with their past. The poster for this event is attached.

We will also be producing a special-edition magazine for distribution in 2015. More details regarding this will be announced soon!

Please respond to the event on facebook and let us know if you will be attending; it will help us in planning for the event to be able to estimate how many people to expect. Also, please share out to anyone who might be interested in attending: members of the Malden community, alumni, former members of *The Blue and Gold*.

Thank you for your endless support.

Also, it was suggested that we keep a log for computers that appear to be having issues in the room. You will find a list tacked to the board near the teacher's computer. If you encounter an issue, please put it on the list so that future teachers are aware when they come in. Then, please report any problems to technology.

Also, please lock the door from the inside using your bathroom key on your way out. We have had a problem with students using computers without supervision and computer mice going missing, as well as students entering the adjacent rooms. If the door is locked when you arrive, Jenelle Baldassari in H203 has the key.

Sincerely,

*Kathryn Bizier*
