# Tornado Times 2011-2012

MHS was founded in 1857 and celebrated its 150th anniversary in October of 2007.

Week of Monday, May 21st, 2012

Volume 9, Number 36

School and District Goal: Improved Student Achievement  
 Students will increase their ability to interact thoughtfully with text, visuals, data, number and word problems, visuals, and phenomena, on their own and with one another, to build new knowledge, skills and understanding.

1 <sup>st</sup> exam, 8:00-9:30 am
2 <sup>nd</sup> exam, 9:45-11:15 am
Optional lunch-11:15-11:45 daily

***Malden High School Mission***  
**In partnership with our extended community, MHS promotes academic excellence, personal growth, and civic responsibility for all students.**

**Living up to our mission....**

- Our students were superb in the Ten by Ten plays on Thursday, Friday, and Saturday. Mr. Walsh and Mr. Phelps went above and beyond in getting the production ready and the students responded.
- On Sunday several hundred rowers and their fans lined the shore of the Malden River as part of the day long Moose on The River sponsored by the Malden High School crew team. Two of our boats medaled and great camaraderie and sportsmanship were displayed throughout the day to the visiting teams from Vermont, Maine, New Hampshire, and other parts of Massachusetts. Our Mayor Gary Christenson was on board the starter's boat and supported our rowers for much of the day.
- The last Teen Night of the year was held Friday night at the YMCA about 75 students, most of them from Malden High School, enjoyed an evening of games, crafts, and snacks.
- The Class of 2013 had a sunny and warm day on Saturday for their pancake/waffle breakfast and car wash. At one point there were cars lined up and waiting for the wash. Many juniors turned out in support of their class. Congratulations to Ms. Diem, Ms. Phuong, and Ms. Galdos and their officers for organizing such a great event.

**School Notes**

**School and District Goal: Improved Student Achievement**

**Students will increase their ability to interact thoughtfully with text, visuals, data, number and word problems, visuals, and phenomena, on their own and with one another, to build new knowledge, skills and understanding.**

**Can our students tell us what this means in our classrooms?**
