Great showing of MHS school spirit at Friday night's basketball game! Well done, students and staff

To All Malden High School students and staff:

Although the final score of the game did not come out in our favor, nothing could take away from the tremendous

Mr. Mastrangelo

excitement and true Malden High Golden Tornado school spirit on display in our home gym Friday night. The stands were packed to capacity on both sides, energy and enthusiasm were turned way up by the hundreds of MHS students who came to the game and our Tornado boys basketball team played hard and well from start to finish. Our biggest home crowd in many years showed what high school sports are all about. We commend all of our MHS students who came out for the game and we thank all of the many faculty members, administrators, coaches and staff who came out to support the team and help make it such a truly positive night for all. Let us use this school spirit to fuel us in the classroom this week for mid-term exams and in our many athletic and other extracurricular events coming up soon. Well done, Malden High School!

Notes & Calendar

Mr. Mastrangelo shares some key reminders this week as Mid-Term Exams are upon us:

- All students are expected to be in attendance during their scheduled testing time.
- Sleeping in or oversleeping is not an acceptable excuse. In the past some students have "opted" to sleep through their scheduled 8:00am test with the thought that they would simply show up during make up time...that practice is not acceptable.
- Any student taking make up exams must be approved by House Principal.
- The computers will be disabled from internet use from 8-2. Desk tops will not be disabled.
- Afternoon sessions can be used to meet with students for extra help or work completion.
