### MALDEN PUBLIC SCHOOLS 2016 SUMMER READING LIST For Students Entering Grade 6

June 2016

Dear Parents/Guardians,

The Malden Public Schools' 2016 summer reading list is your ticket to adventurous travels through books. We hope you and your family will read about other countries, cultures, and people all over the world.

Students are required to **read at least 3 books from the list or books of their own choosing.** Books can be read by students on their own or with a partner during the summer. We recommend reading 30 minutes every day. Partners for reading out loud can be parents, guardians, brothers, sisters or other interested caregivers.

Students must list the 3 books they have read on the Reading Log and complete a Reading Response for any one book. Help your child complete the Reading Response by discussing books they have read or books that have been read to them.

We encourage you to visit the Malden Public Library regularly with your child. The library has copies of the summer reading books, offers fun activities for free, and runs a Summer Reading Program (beginning June 27) that provides special incentives to tweens and teens who read 5 hours or more a week.

Extra forms will be available at the Malden Public Library and on the Malden Public Schools' website: <http://maldenps.org/academics/summer-reading>. Students must return completed forms to their school in September.

Sincerely,

Dr. David DeRuosi, Jr.  
Superintendent of Schools

**Summer Reading Log**

Keep a list of the books you read by yourself or that someone reads to you during the summer vacation.
