Dear Parent/Guardian,

Our school has implemented the Lexia Reading software program. Lexia programs help students rapidly develop reading skills in an engaging and dynamic way. As an added benefit, Lexia is making this program available to students at home to extend their instructional time via its ***School-to-Home Connection***. This extra time will help students achieve their reading goals at an even faster rate.

Getting started with ***LEXIA Reading School-to-Home Connection*** is easy!

1. Go to the Lexia Reading School-to-Home Webpage.

<http://www.lexialearning.com/files/support/LexiaReadingSchoolToHomeOverview.pdf>

2. Follow the simple steps on the School-to-Home Webpage to download, install and configure the software.

3. Information you will need:

<p><b>School Customer ID</b> _____ - _____ - _____.</p> <p><b>Student login information:</b></p> <p><b>Username:</b> _____</p> <p><b>Password:</b> _____</p>
--

Please Note: Lexia Reading software is intended for independent practice by the student with no assistance from parents or siblings. Please allow your son/daughter to work in the program at their pace without your guidance. The software will monitor progress and only allow students to progress when they have mastered a skill.

#### Need Help?

Contact our school's technical staff at: \_\_\_\_\_.

Sincerely,

Margaret Adams
