

2017/18 AFTER SCHOOL PROGRAMS

The Partnership for Community Schools in Malden, in conjunction with the Malden Public Schools, offers A to Z University for students in grades K-5, and Channel Surfing for grades 6-8 at the Beebe, Forestdale, and Salemwood Schools. Our programs offer academic enrichment and youth development activities for all students. Our purposeful programming supports and challenges the physical, social, and intellectual growth of all participants. Programming helps students overcome academic challenges by making connections to school day learning, and provides students with activities that promote healthy lifestyle choices and decrease high risk behavior.

- Programs have run successfully in the Malden Public Schools for 17 years.
- Programs supported and partially funded by the Department of Elementary and Secondary Education.
- Staff includes certified, school day teachers and professional specialists who are passionate and engaged in their subject areas.
- Programs are seen as a true extension of the school day, and provide a safe and nurturing environment where academic skills are enhanced.
- Academic activities include homework help and academic enrichment clubs.
- Recreational activities are designed to foster sportsmanship, teamwork, fair play, cooperation, and healthy competition.
- Students are given opportunities to delve more deeply into topics that enrich and reinforce classroom learning.
- After school staff work closely with school day staff to focus on areas of need for each student.

Program Dates and Hours:

A to Z University

Session 1	September 11 to December 8
Session 2	December 11 to March 16
