

Partnership for Community Schools in Malden - Financial Aid Guidelines – Jump Start—2017-18

The following guidelines can be used to estimate your financial aid. To use this guideline you may select your family size across the top and your yearly gross adjusted income from the boxes below. You will then see your projected cost per day on the far right.

- Families outside of the income limits will pay the daily rate of \$5.00 or \$4.50.
- Families requesting financial aid must bring a **COPY** of your 2016 1040 tax return. We need to keep this **COPY** on file the entire year.
- All financial aid is first-come, first-serve. There is only a limited amount of financial aid and once it has been distributed families must pay the full amount.
- There is no additional discount for days lost

There are 176 program days. If attending by day, there are 33 Mondays, 36 Tuesdays, 37 Wednesdays, 36 Thursdays, and 34 Fridays.

Beebe and Forestdale Schools

2	3	4	5	6	7	Amount
