4. Moving up ceremony- Parent perspective- "It was fantastic and students looked like they had a great time."
Staff perspective- It went great! Possibly have a microphone for next year. Make sure ceremony is not ending the same time as dismissal.
5. Career Day- Went very well. Students really enjoyed themselves.
6. Curriculum Work- Hoping to get it out by the end of the year.
7. School Improvement Plan- Went through with no problem. Got feedback from the Superintendent that ours was done extremely well. Short, concise and to the point. In the fall we will have to put together a binder with information about the ELC. A more detailed outline of our school. Will look for a group of volunteers to help.
8. PTO Membership Drive- In need of parent volunteers! The PTO is critical in getting supplies and resources for the ELC. They also run special events for the families. Asking for parents and teachers to spread the word.
9. Election of new members in the fall- nominations for school council will occur in the fall before the first meeting.
