MALDEN PUBLIC SCHOOLS 2018 SUMMER READING LIST For Students Entering Grade 2

June 2018

Dear Parents/Guardians:

The Malden Public Schools' 2018 summer reading list is your ticket to adventurous travels through books. We hope you and your family will read about other countries, cultures, and people all over the world.

Students are required to read regularly throughout the summer, with a weekly goal of 2 hours. We strongly recommend reading at least 20-30 minutes every day. Books can be read by students on their own or with a partner during the summer. Partners for reading out loud can be parents, guardians, brothers, sisters or other interested caregivers.

Students must log their minutes read every day using the enclosed calendar and complete a Reading Response for any one book. They can read from the suggested list or books of their own choosing. Help your child complete the Reading Response by discussing the books that they have read or books that have been read to them.

We encourage you to visit the Malden Public Library regularly with your child. The library has copies of the summer reading books, offers fun children's activities for free, and runs a 6-week Summer Reading Club (beginning July 2) that provides prizes and certificates to children who read two or more hours each week (Registration required).

Extra forms will be available at the Malden Public Library and on the Malden Public Schools' website: <http://maldenps.org/academics/summer-reading>. Students must return completed forms to their school in August.

Sincerely,

Janice Raymond
Director of Title I

Family Summer Reading Tips

- **IMPORTANT:** Children can lose as much as a half a grade level in their reading level during the summer. Between kindergarten and grade 5, not reading over the summer can result in the loss of as much as 3 grade levels of reading growth. The only way to combat summer reading loss is by reading a lot over the summer. Make a plan to read to or with your child everyday for 20-30 minutes.
- Reading aloud to your child counts as reading. So, if your child isn't reading yet or is reluctant to read on their own, read to them.
- Talk about what you are reading. Give your opinion about the events in the book and ask what your child thinks.
- The best way to learn new words is by reading. Look for words your child may not know as you read. Talk about what they mean. Try to use some of the words later with your child.
- Take books with you wherever you go. Keep books in the car for day trips. Going on errands, take along a set of books to talk about and read as you go. Read at the beach or the park.
- Visit the library as often as possible. If you are having trouble finding books to interest your child, ask the children's librarian for help. They can recommend lots of great books, even for the most reluctant of readers.
