

# Beebe School

## October 2017

The Beebe School had an excellent opening to the 2017-2018 school year. We completed our first month of school. A great deal of hard work was completed by staff, parents and students. We really “Hit the ground running.”

Our annual “Beebe School Back to School Night” was a huge success. We had over 300 parents attend school that evening. The evening began by parents meeting Beebe School Administrators and the officers of the P.T.O in the auditorium. This was followed by parents visiting their child’s classroom and meeting their child’s teachers. Teachers discussed with parents curriculum, classroom routines and ideas on how they could support their children with their studies. The evening was quite informative.

The Beebe School supports social activities for the students and their families. These special activities are not possible without the support and leadership of the Beebe Parent Teacher Organization. The P.T.O plays an important role in the lives of the students at the Beebe School. The P.T.O. supports educational field trips for our students planned by the teachers. They plan social activities for students and families throughout the year. Our hard working Beebe P.T.O officers Colleen LeShane, Dawn O’Toole, Karen Bogan and Bonnie Littlejohn have been working diligently coordinating social events for our students. They held a Fall Festival with over 300 parents and children in attendance. They organized a K-8 Book Fair. They are now planning a Halloween party for K-4 students and a Roller World event for our students in grades 5-8.

Congratulations to parents Christy Childress, Amy DeAvilla, Jennifer Spadafora and Stacey Rubin. They have been elected to the 2017-2018 Beebe School Council as parent representatives. They will join teacher representatives Dai-Hua Shen, Dave Legere and Susan Susman. The Beebe School Council is an advisory board to the school administration on carrying out school and district goals. The first meeting of the school year for council members will take place on Wednesday evening October 4<sup>th</sup> at 6:30 P.M.

Reminder to parents that Wednesday, October 4<sup>th</sup> is an early-release day. All students will be dismissed at 12:30 P.M. Also, there is no school on Monday October 9<sup>th</sup> in observance of Columbus Day.

Have a great month.
