

Beebe Grade 8 Community Service Learning Project

The 8th grade students, Christine Wang, Allison Yu, Joanne Tang, Jodi Tay, Michelle Dang, and Ryan Li presented their community service learning project led by Mr. Enwright and Ms. O'Bryan to the Beebe School Council and Mayor Christenson. Their project aims at banning plastic bags and straws in Malden. The group presented research, legislation, and alternatives to plastic. The Mayor was impressed and invited them to the city wide meeting on March 18th at the Linden S.T.E.A.M. Academy. Please come out and support their advocacy efforts.
