All About Magnets

By: Ms. Cunningham

The third graders in Room 333 visited several first and second grade classrooms to read their own Magnets Books! After learning about magnets, the third graders wrote an informational book. They worked very hard and wrote several paragraphs about what magnets are, where to find them, and how they work. Then, they read their own books to the other students. First and second graders got to ask the third graders questions. The third graders reported that they understood how hard it was to be an author and teach others. All students had a wonderful time!

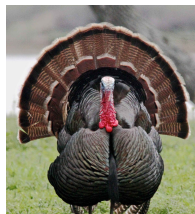

Thanksgiving Cards

By: Ms. Hurley

Every Thanksgiving The Bread of Life organizes, "Don't be Alone on Thanksgiving Day". Volunteers come to pack up meals at Malden High School to deliver to the elderly and homeless living in our town as well as Everett and Chelsea. They also invite people to go to Malden High and have their food to be in the company of others during the holiday. This year volunteers are looking to feed around 1,000 people!

The Beebe is working with the Bread of Life to create Thanksgiving Cards to be sent with the meals they are cooking. Students are so excited to create Thanksgiving Cards to wish people well and a very Happy Thanksgiving! Awesome job Beebe

Students!

Beebe's Mascot

By: Kyleigh

At the end of each month, we hold PBIS assemblies at the Beebe School. These events are great and gets everyone into the school spirit. Teachers give out Bulldog Bucks when they see that students are being kind, responsible, accepting of others, helping other students out, and many other respectful qualities. The Bulldog bucks that students' receive go in students' homeroom bucket.

At the end of the month, the school counts all the bucks up for each class to find out who has the most Bulldog bucks in each grade! The assembly has raffle winners for each grade and whoever gets picked chooses a prize from the table. The prizes were Beebe shirts, pajama pants, backpacks, pencil cases and much more!!! They pick a couple of students for table prizes and then they pick someone for a Pisa Pizza gift card!! If that wasn't enough, they pick 10 kids for panera gift cards as well! All the prizes and fun gets the students really excited! Finally, at the recent assembly the school revealed the name of the Bulldog mascot ...the name of the Bulldog is Bruce! It was a great ending to the Beebe assembly! Nice work staff and students!

Kindness Day

By: Elina and Jarita

November 13 was world kindness day. Every grade paused for kindness from 10:00 to 10:40. Here are some acts of kindness that happened in each of the grades at the Beebe School. The kindergarten classes asked students to illustrate a book. The 1st graders drew themselves in a frame performing an act of kindness. The 2nd and 3rd graders wrote a kindness story about how someone was kind to them. Grade 4 and 5 students' wrote their name and one act of kindness they pledged on a paper strip. Then they connected the strips to make a "kindness chain." The 6th grade made a kindness vocabulary page and a kindness A to Z task. The 7th grade students created a comic strip. The comic demonstrated a character they made of themselves as a kindness hero. Their comic strips could then later be shared with students in younger grades. Finally, in 8th grade students illustrated a kindness quote. Great Job showing Kindness Beebe Students!

Winners of Terracycle

By: Ms. Kotowski

Congratulations to Mrs. Hurley and Ms. Spayne for collecting 97 Little Bite pouches this quarter. Our fabulous student aspiration team will provide their class with an extra recess next week as part of the incentive program.

We will begin our next collection program starting December 2nd, so please continue to collect and record your data on the Little Bites Google sheet. If you have any questions, please do not hesitate to contact us. Thank you for helping to make our planet a little brighter!!!

4th Grade Answers... WOULD YOU RATHER!?

On Thanksgiving, would you rather...

Cook Dinner	Wash Dishes
-------------	-------------

"I would rather cook dinner because I enjoy cooking and I don't enjoy washing the dishes. For me cooking is easy and fun. It's like a game. Me and my mom really enjoy cooking together it's a way for us to spend more time together." -Lara L.

"I would rather do the dishes because I do not know how to cook. Also I might burn the house down. I can get money from doing it." -Derek Y.

"I would rather cook the entire Thanksgiving dinner because I know how to cook and I like to cook. I could make up my own recipes and use them if I cook the Thanksgiving feast next year too." -Lia C.

"I would rather cook the Thanksgiving entire dinner because I would help my mom and she will say good job. I want to be a great cook." -Jayden D.

"I would rather help cook the entire Thanksgiving dinner so I can get good cook complements." - James L

"I would rather do the dishes because I don't know how to cook much and I might burn myself or the food. But if I wash the dishes my hands could smell nice. Also I could get a nice work out too." - Vicky Y.

Grade 3's True Colors: A Friendship Concert

Ms. Hoffman and Beebe Third Graders put together a Friendship themed concert for students and parents. With "A little help from their friends" (the Exploratory teachers) 3rd Grade and Ms. Hoffman sang some of our favorite songs about being kind and loving each and every one of our friends. They also created a few songs of their own and did a mashup for their finale! There were colorful scarves and bright blue streamers in a wonderful Fall setting. 3rd Grade sang their hearts out and the audience's applause verified that all their hard work practicing and rehearsing paid off!
