**Where:** Forestdale School Cafeteria  
74 Sylvan Street

**Contact:** MaldenSEPAC@gmail.com

***Come Learn About Our SafeWatch Program!***

The Malden Police Department has been working with Lawrence Police Dept. as well as other local Police Departments on an Autism Awareness/Law Enforcement Program to identify citizens in the community with Autism and the best practices to help the children and their families.

The program will give officers **critical information** they need to **quickly find a missing person**. It is **free, voluntary, and confidential** and is designed to better equip us when responding to a crisis situation. If you are a family member of a person with a disability or condition that might cause them to wander from their safe environment, please come to this presentation and decide if you'd like to register.

**FREE to all.**  
**Light refreshments will be provided.**
