***How to Determine Homework Needs of Students with Special Needs***

This workshop from the Asperger/Autism Network (AANE) will cover how to assess the need for homework, track assignments and materials, identify and troubleshoot common difficulties, IEP/504 considerations, and additional resources to help students with Autism profiles, ADHD, Executive Functioning issues, or Anxiety. There will be an opportunity to sign up for future parent coaching sessions in English or Spanish with AANE staff to discuss your child's specific needs.

**FREE to all.  
Light refreshments will be provided.**
