

Announcement

November is “**Family Literacy Month**”. At Ferryway School, we will once again be celebrating with our gumball reading contest for all K-8 students!! We need your family support for this contest!

Please support & encourage your child to read at home and participate. This is for all grades Kindergarten – 8th. In the school’s foyer, giant, grade-level gumball machine posters are on display. For every 4 nights a student reads at home & gets an adult’s signature, a sticker gumball will be added to add to their grade level.

Reading logs should have come home today and will continue for the whole month of November. Once they return a slip, they should be sure to take another one home in order to receive additional gumballs for their grade level. The deadline to return slips is Tuesday, December 1st.

All returned slips will be entered into a raffle to receive “Pizza with the Principal” for lunch one day in December. The grade level with the most gumballs in their machine will get an additional prize!

Thank you in advance for supporting your child’s reading success!
