

\$\$\$ MHS Scholarship Process 2015 \$\$\$

1. Students will find a running list of scholarships available through Malden High, made possible by generous donations from our local community (subject to changes), in their Naviance accounts, under "scholarship list."
2. Seniors should look over this list and apply to ANY and ALL scholarships that apply to them specifically. Here's how:
3. Please fill out the "**MHS Scholarship Application**" available on the web at www.maldenps.org, under the Guidance tab on the MHS webpage. **Paper copies available in the House Guidance offices, Main office or Library.**
4. Scholarships that do not have "MHS" listed in the "application/requirements" section may require an **ADDITIONAL** application that you can pick up in the Library or Main office.
5. Please **RETURN your completed MHS Application** (with resume/activities list AND essay), along with additional applications **to the ATHLETICS OFFICE.**

We hope all students will take advantage of this opportunity to apply for these scholarships and the generosity of the extended Malden Community.

REMEMBER: COMPLETED APPLICATIONS DUE BY MARCH 27th!!
Questions: See your house guidance counselor!!!
