Malden High School Vision Statement

The Malden High School community believes in the potential of all students to learn, to grow, and to become active, conscientious participants in the 21st century global society. We believe that students learn most effectively in a safe, respectful environment that encourages diverse viewpoints, promotes critical thinking and perseverance, and establishes rigorous standards for all. We honor the diverse nature of our community, promote social awareness and community involvement, and strive to meet the needs of all students through innovative methods and continual professional development. We are committed to ensuring that Malden High School graduates are thoughtful, independent, purpose-driven, lifelong learners. We seek to equip all students with the skills and habits necessary to successfully navigate and contribute to our ever-changing world.

Principal's Note

A very happy 2017 to all of you. I hope the end of your 2016 went better than Mariah Carey's did. This week I bring you one of my favorite Ted Talks (I'm sure many of yours as well), Rita Pierson's 'Every kid deserves a champion.' As we embark on a new year and all of the opportunity and promise it brings let's remember that the core of our work is just that: being a champion for our students and providing them with the opportunity to be the best version of their present and future self. Please take a few minutes let Rita bring you into a new year of teaching and learning.

[EVERY KID DESERVES A CHAMPION](#)
