Volume 11, Number 11/40

Good morning,

Parent-teacher night begins at 5:00 pm tonight in both cafeterias. Please see Diane Klibansky with any special requests around placement of your table.

Tomorrow is a full day of professional development. It is also Election Day; Malden has their polls at our K-8 schools so anyone traveling to one of those schools may want to consider carpooling or walking.

Congratulations to the boys soccer team for their state tournament first round win over Peabody High School. Next up is Lowell High School tomorrow night at 6 pm in Lowell. Good luck.

MCAS retests in ELA will be held Wednesday, Thursday, and Friday of this week. For some of our students this is a time of anxiety. Please check the MCAS list before sending referrals for cutting class. Thanks.

Malden High School Vision Statement

The Malden High School community believes in the potential of all students to learn, to grow, and to become active, conscientious participants in the 21st century global society. We believe that students learn most effectively in a safe, respectful environment that encourages diverse viewpoints, promotes critical thinking and perseverance, and establishes rigorous standards for all. We honor the diverse nature of our community, promote social awareness and community involvement, and strive to meet the needs of all students through innovative methods and continual professional development. We are committed to ensuring that Malden High School graduates are thoughtful, independent, purpose-driven, lifelong learners. We seek to equip all students with the skills and habits necessary to successfully navigate and contribute to our ever-changing world.

School notes of interest:

Please feel free to fill in open slots for the H206 computer lab this week. Be sure to write your name next you each lunch block you intend to use. Go to the following link to access the sign-out:

<https://techsignup.wikispaces.com/home>

Also, please lock the door from the inside using your bathroom key on your way out. We have had a problem with students using computers without supervision and computer mice going missing. If the door is locked when you arrive, Jenelle Baldassari in H203 has the key. Please email me if you encounter any computers that are not working.

Please join us on Sunday, November 10, 2013 for the 2nd Annual R11A 5K which benefits the Rich Angelo Athletic Scholarship.

The R11A is 5K Run/Walk is in honor of Rich Angelo who passed away while competing at the USA Triathlon Nationals in Burlington, VT on August 18th, 2012. His passing was and is devastating to those who knew him and to those who have learned about him, but as he taught us, we rise after the fall.

Rich was a great person, a great athlete and a dedicated family man, so join us on 11/10/13 as we honor and celebrate his life, while raising funds for the athletic scholarship in his name.

In 2012 the event raised over \$10,000 for the scholarship fund! With your help we can surpass that amount this year!

We look forward to seeing you a month from today.
