Volume 11, Number 15/40

Good morning,

I hope everyone was able to enjoy some or all of the long weekend. Despite the holiday excitement and rush we have a good stretch of days ahead with our students. It is important that we offer as much normalcy and consistency as we can over the next three weeks.

It is always nice to hear from our graduates over the break. The good news almost always reported back to us is that our students feel we prepared them well for their next steps.

The winter sports season starts today; we have offerings in boys and girls track, coed gymnastics, wrestling, boys and girls basketball and coed swimming. Check with the athletic office for details on tryout times and locations.

There is a combined school council meeting and public hearing tonight at 6:30 pm in Cafeteria A concerning the expansion of the STARR Center at Malden High School.

Malden High School Vision Statement

We honor the diverse nature of our community, promote social awareness and community involvement, and strive to meet the needs of all students through innovative methods and continual professional development. We are committed to ensuring that Malden High School graduates are thoughtful, independent, purpose-driven, lifelong learners. We seek to equip all students with the skills and habits necessary to successfully navigate and contribute to our ever-changing world.

School notes of interest:

I am able to confirm Dec. 13 at 9:00 am for the cyber bullying assembly **with Middlesex District Attorney Marian Ryan for all 9th graders.**

If you have not done so I encourage you to visit the Blue and Gold website: they are doing a great job under Ryan Gallagher's leadership.
