Volume 11, Number 4

Good morning,

Another full week awaits; thank you for getting us in the full swing of things.

Over the weekend there was a vibrant MHS presence throughout the City. On Friday night some of our Key Club students volunteered at the Latino Festival held at Malden's Government Center Plaza. On Saturday members of our Interact Club volunteered at the Harvest Moon Festival. The Class of 2016 raised almost \$300 at their car wash here at the school and many of our athletic teams were in action in practices or games, including a great soccer doubleheader at the Stadium on Saturday. Encourage students to get involved!

## **School- Business Partnership**

Our Entrepreneurship program at Malden High School was “adopted” last March, 2013 by a company located in downtown Boston. Hollister Staffing located at 75 State Street in Boston joined the NFTE (Network for Teaching Entrepreneurship) program that helps sponsor, mentor, and coach the NFTE classrooms in New England and around the world.

Hollister’s involvement in our classroom has helped support our one-day trip to New York City for the students’ buying event where they have a real-life experience of buying as a small business owner. We generally have just local (Malden) buying events but will have an additional buying event in downtown Boston sponsored by Hollister this year.

Hollister also mentors our students on an ongoing basis throughout the school year. They come into the classroom to share their expert knowledge in the fields of finance, marketing, and so many areas that affect a business. As well, Hollister’s staff coaches each student on the business plan they are working on to compete with other communities in May, 2014.

We are very fortunate to be part of this wonderful program and have the students involved in this great opportunity.

Deb Buckley teaches the Entrepreneurship class at Malden High School.
