

# STEM SHOWCASE

## 10/30/19

Get ready for the LSA "STEM Showcase!" The STEM Showcase is an opportunity for students to present their work to family, friends and LSA community members by displaying the projects they have been working on in STEM class this quarter. This semester's showcase will take place on Wednesday 10/30. Each class will conduct presentations during their regularly scheduled class time (listed in the table below). We hope to see you there!
