School Website

Please be sure to check Linden's School website for important information. The administration would like to keep all parents informed. There are several resources available including the monthly calendar, School Site Council information, as well as a virtual backpack which will contain forms sent home and the lunch menu. We are also constantly adding posts of important information at the bottom of the home page. We plan to update the webpage on a regular basis, so please keep checking back. If there is something you would appreciate seeing on the website please reach out to the administration. We are here to help and keep you informed!

Inclement Weather

Inclement weather will be called for rain & **extra** cold days. Please refer to the posting on the front doors to determine if it is inside or outside lineup. These days we will allow students to enter the building at 7:45. Students can not enter the building before this time due to safety. If morning care is needed please reach out to the before school program for more information on having your child come into the building before 7:45
