

MALDEN SEPAC

SPECIAL EDUCATION PARENT ADVISORY COUNCIL

MISSION: We are an established SEPAC, whose focus is that of enhancing the parental voice in Special Education in the City of Malden. We promote a family-school relationship of mutual involvement and respect. Our primary consideration is the well-being of the student, regardless of disability, culture or background.

PURPOSES:

- Advance the public school education of children with Special Needs
- Promote meaningful parent-participation
- Advise and support at the school, district, and state levels

WE ARE:

- Governed by elected board members that volunteer.
- Assisted by school district, teachers, students and parent volunteers.

ABOUT US:

- Collectively we represent hundreds of Malden parents with Special Needs children.
- We ensure that parents have a strong voice in their child's education.
- We ensure that the Malden Public Education system remains focused on the needs of its students.
- We support parents in navigating the Special Education system as they exercise their rights and the rights of their children.
- We hold regular meetings to discuss Special Education issues.
