□ Late Entry Dates for High School

Malden Public Schools proudly serves a multi-cultural and religiously diverse community. Although the schools are not closed for observance of all religious holidays, Malden Public Schools respects the religious and cultural days that are significant to the students, families and staff. The following list includes many of these holidays celebrated during the 2018-2019 school year, that may require a student to be absent from school. Students who miss schoolwork because of an excused absence, including absence for religious observance, should not be expected to complete homework, study for tests or do other school work during their absence. They shall be given the opportunity to complete assignments and test within a reasonable time, based on the circumstances. These absences should be managed in the same manner as absences for other excused reasons, including informing the school of the absence, talking with teachers about the absence, missed work, etc.
