

**Salemwood 6-8 After School Program**  
**Session 1 Club Selections**

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<b>Basketball Clinic</b>	<b>Tufts LEGO Robotics Engineering</b>	<b>MA-TV</b>	<b>Junior Policy Academy</b>	<b>Homework</b>
Outside Staff - Gym	Mr. Whitney - Room C209	Outside Staff	Outside Staff	Mr. James
Students will work on and improve their skills on the court with this Basketball Clinic presented by Malden Recreation	Presented by Tufts University, Students will use legos and technology to build robots in the classroom!	Lights, Camera, Action! 12 lucky students will get to work with MA-TV to produce their own shows with the staff from MA-TV	Thanks to Malden Police Department, up to 25 lucky students will be able to learn what it's like to be in a junior police academy while learning from one of Malden's finest!	Majority decision decides which activity will take place each Friday
<b>Jeopardy</b>	<b>Growth Mindset Debate Club</b>	<b>Chorus</b>	<b>Improv / Comedy Club</b>	<b>Computers</b>
Mr. Whitney - Room C209	Ms. Hedrington - Room C310	Ms. Hedrington - Room C310	Mr. Whitney - Room C209 / Auditorium	Mr. James
Requested by students, this club will return for Session 1! Students will pick their teams and choose the categories for the Jeopardy games. Topics vary each week but include math, science, history, popular culture, sports, and more.	This club is all about honesty! This club will allow students to have honest conversations about themselves and society. They will observe videos, readings, group activities, and media outlets to take into account in their conversations and see if there is anything they need to change about their mindset.	Chorus: A group of people singing and dancing together in harmony. In this club, students will try their best to not only sing and perform, but work cooperatively with their peers.	After great success running a comedy show during the summer, the kids could not have enough! Students will write and develop their own scripts for a comedy / improv show and will present their jokes & script at the end of each week.	Majority decision decides which activity will take place each Friday
<b>Ping Pong</b>	<b>Comically Speaking</b>	<b>Marvel Cinematic Universe: Phase 1</b>	<b>Flag Football</b>	<b>Team Building</b>
Mr. Parent - Room C410	Mr. Barbagallo - Room C312	Mr. Parent - Room C410	Mr. Parent - Room C410 / Field	Mr. James
In this club, students will learn the art of the game of Ping Pong. Students will alternate learning how to play the game and will engage in friendly competition with one another while also learning about teamwork, patience, and resilience.	Read and create your own comics in this creative club. You'll learn how to use words and pictures to create a full story. At the end of the session, you'll have designed your own comic to take home.	In this club, students will learn about different cinematic elements such as setting, theme, characters, plot, conflict, etc. Students will watch Phase 1 of the Marvel Universe while they explore these elements. Titles include: Iron Man, Incredible Hulk, Iron Man 2, Thor, Captain America: First Avenger, and the Avengers. This club can be continued through Session 2 and 3 for Phases 2 and 3.	Students will head to the field and learn how to play flag football! In this non-contact sport, students will learn the basics of football and will develop their skills on the field.	Majority decision decides which activity will take place each Friday
<b>Arts &amp; Crafts</b>	<b>We Have a Solution! Stop Pollution!</b>	<b>Werewolf: The Game</b>	<b>Hip Hop Dance Academy</b>	<b>Board Games</b>
Ms. Maffeo - Room C212	Ms. Maffeo - Room C212	Mr. Barbagallo - Room C312	Mr. Brogna - MS Cafeteria	Mr. James
Requested by students, this club will serve as an outlet for a student's creative juices! Students will create different arts and crafts projects each week and at the end of the Session will be able to have an art show to display their work!	Students in Grades 6-8 requested this club after our summer program cleaned the parks around the city. Students realized that Malden is their home and we need to clean and maintain it, because we are proud of where we live!	In this club, students will work together, and against each other, to try to solve this character role mystery game. Students are assigned roles prior to gameplay and need to work with each other try to determine who, of the other players, has specific roles by using clues and determining truth based on clues given.	Over the weeks the students will collaborate with a dance instructor to develop a routine that will be set to music - altogether they will record, edit, and produce this 'music video' and with parental permission post it on YouTube.	Majority decision decides which activity will take place each Friday
