After approval of minutes, Mr. Sepulveda reported that the ELT application was submitted by central.

He reminded all that the Kindergarten Graduation would take place on Friday, June 15, 2018

And the 8th grade Graduation would take place Wednesday, June 20, 2018

Looking forward to 2018-2019, Adaptations continue for the "bubble" class now going into 6th Grade which will require additions to 6th grade staff . It is hoped that next year's 6th grade will have a Spanish teach for the added 5th block.

On the elementary side, we will be adding a 5th Kindergarten classroom which will be integrated and we expect will be as welcomed and successful as this year's ILP classrooms has been.

With our approved 3 year plan in place we look forward to working together and moving Ferryway forward next year.

Meeting was adjourned at 5:30p.m.

Respectfully submitted, Marijane Tuohy
