Join us as we pop out ceiling tiles and paint masterpieces for our classrooms and hallways. Talent not necessary, just imagination and smiles!</p>	Computer lab/ Games in Cafeteria	
Tuesday			<p style="text-align: center;">LEGO Robotics - Rosenthal C204</p> <p>Presented by Tufts University, students will build and program LEGO machines using creativity & technology!</p>	Computer lab/ Games in Cafeteria	
Wednesday			<p style="text-align: center;">Gamer Nation - Erb Computer lab</p> <p>Calling all gamers! Here is your chance to play video games and rate and review your gaming performance. This club aims to sharpen your hand coordination skills, increase your awareness, and increase your overall gaming performance. For the first half, you will review a game you have played on your own and summarize your performance. For the second half, you will play and then review your performance by identifying your improvements and areas to grow.</p>	Computer lab/ Games in Cafeteria	
Thursday			<p style="text-align: center;">MATV</p> <p>3, 2, 1! Action! Malden Access Television is joining us and bringing along camera equipment. Participants will be allotted the opportunity to use equipment provided by MATV and will acquire the necessary skills to record, write, act in and edit original content. Participants will gain knowledge of multimedia usage, team building, performance skills and etiquette, and will have the opportunity to feature and promote their work on their own content platform.</p>	Computer lab/ Games in Cafeteria	
		<p style="text-align: center;">Police Academy - Malden Police Department</p> <p>Have you ever wanted to know what it is like being a police officer? Well, now you can! The Malden Police Department will be running the Police Academy here at Linden. You will hear about what it is like being in law enforcement, reenact scenarios, learn safety techniques, and receive the defense training that our Malden police officers received in the Academy.</p>			
Friday			<p style="text-align: center;">Jeopardy **</p> <p>Harry Potter, SpongeBob SquarePants, Star Wars, Antarctica, Egypt, and The Beatles are just some of the many topics included in Jeopardy. Test your trivia skills and see how much you know about movies, literature, television, music, and geography. The winning teams will make it onto our After School Student Board.</p>	Computer lab/ Games in Cafeteria	

Notes

* Please note that Linden's building recycling will take place during the first 15-20 minutes of this club. This remains consistent with Session 1.

** Held in cafeteria with site coordinator
