Classroom News

Welcome to Virtual Adventure Summer Program, ***Einstein's Quarantine!*** We are so excited to have you participate this summer.

Week 1 was Ah-mazing!

Students were engaged in a hybrid of virtual daily lessons with the **FABULOUS Ms. Dolley** as well as several remote activities throughout the week through Google Classroom. Remote activities included meditation, read aloud, dance challenge, virtual field trip and star gazing and moon observations...and some students even used their own telescopes!

We were so impressed with our students and their knowledge of the stars, constellations, planets and the moon!

**We had
100%
student
attendance!**

Looking ahead to next week: **Week 2 is Jurassic World!** We are looking forward to learning about prehistoric time periods and seeing you online!

Teacher's Name: Ms. Dolley

Email address for pics & challenges: mpsafterschool@maldenps.org

Director: Jennie McGoldrick & Assistant Director: Laura Perry

Weekly Lessons

Monday: Moon Model

Tuesday: Acrylic Paint Galaxy

Wednesday: Constellation Jar

Thursday: Marshmallow Stars

Thursday #2: Oreo Moon Phases

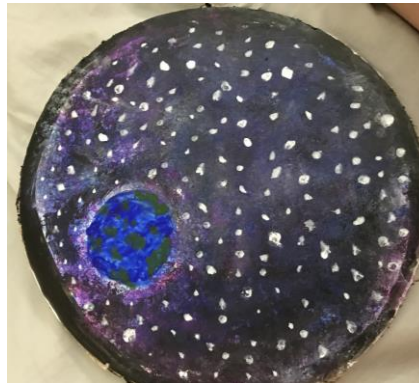

Read Aloud & Virtual Field Trip of the Week

This week we heard the story **Mae Among the Stars** by Roda Ahmed

Students took a "trip" to the **Stellarium Web Online Star Map** and were able to find stars and planets with this free star map of the night sky. They could see the current sky tonight or any date and location in the best online planetarium.
