

MOST School Year Program

Session 1: Back to School/Fall!

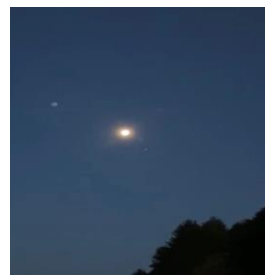

Weekly Challenges!

Nature Walk

Queen Bee!

Harvest Moon

Student Quote of the Session

“ *Can we live here!?* ”
Scaia

Classroom News

Welcome to Malden Public School Out-of-School Time (MOST) Program, **Session 1 Back to School/Fall!** This seven-week session consisted of theme-based, virtual and interactive lessons through Google Classroom two days per week (Mondays and Wednesdays, or Tuesdays and Thursdays) from 3:00-4:00 pm, and additional remote learning opportunities. Remote activities included a weekly challenge, read aloud, and a virtual field trip. All lessons took place on Google Meet and were led by Ms. Dolley.

Our staff provides a great balance of brief lessons/videos, project instructions, opportunities for socializing, and time for students to dive into the daily projects. Our session-long newsletter includes a **Weekly Themes & Lessons** section which highlights the various, hands-on activities and a **Student Art Work** section which showcases our talented students' artwork.

Thank you to all our families who participated in **Session 1, Back to School/Fall!** We are excited to start **Session 2, Harvest & Celebrations!** 😊

Teacher's Name: Ms. Dolley

We are looking forward to adding a new Mon/Wed class and welcoming Ms. Whitney!

Email address for pics & challenges: mpsafterschool@maldenps.org

Director: Jennie McGoldrick & Assistant Director: Laura Perry
