## Classroom News

Welcome to Malden Public School Out-of-School Time (MOST) Program, **Session 2: Harvest & Celebrations!** This seven-week session consisted of theme-based, virtual and interactive lessons through Google Classroom two days per week (Mondays and Wednesdays, or Tuesdays and Thursdays) from 3:00-4:00 pm, and additional remote learning opportunities. Remote activities included a weekly challenge, read aloud, and a virtual field trip. All lessons took place on Google Meet and were led by *Ms. Dolley* and an additional class with *Ms. Whitney*.

Our staff provides a great balance of brief lessons/videos, project instructions, opportunities for socializing, and time for students to dive into the daily projects. Our session-long newsletter includes a **Weekly Themes & Lessons** section which highlights the various, hands-on activities, and our talented **Student Art work** is showcased throughout the newsletter!

Thank you to all our families who participated in **Session 2, Harvest & Celebrations!** We are excited to start **Session 3, Winter Wonderland!** 😊
