

# MOST School Year Program *Session 3: Winter Wonderland!*

This session we partnered with two of our students, Linnea and Hildy, and their family to help organize a collection of Valentine's Day cards for Seniors and others in the community who may not be able to get out easily. Our students' handmade cards were distributed to **Malden Neighbors Helping Neighbors** and **Forestdale Park**.

**SPREAD LOVE!** 

**Registration Week** for both April  
Vacation Program & Session 5 is:  
March 29-April 2, 2021

## Program News

Welcome to Malden Public School Out-of-School Time (MOST) Program, **Session 3: Winter Wonderland!** This seven-week session consisted of theme-based, virtual and interactive lessons through Google Classroom two days per week (Mondays and Wednesdays, or Tuesdays and Thursdays) from 3:00-4:00 pm, and additional remote learning opportunities. Remote activities typically included a weekly challenge, read aloud, and a virtual field trip. All lessons took place on Google Meet and were led by *Ms. Dolley* and *Ms. Whitney*.

Our staff provides a great balance of brief lessons/videos, project instructions, opportunities for socializing, and time for students to dive into the daily projects. Our session-long newsletter includes a **Weekly Themes & Lessons** section which highlights the various, hands-on activities and our talented **Student Art work** is showcased throughout the newsletter!

Thank you to all our families who participated in **Session 3 Winter Wonderland!** We are excited to start **Session 4 Spring is in the Air!** 😊

Teacher's Names: Ms. Dolley & Ms. Whitney
