Agenda

1. NRT Contract Amendment

Ms. Spadafora started the meeting clarifying that this discussion would be focused on the current NRT contract with an amendment to payments. Ms. Mertz explained that due to the pandemic, the Malden Public School district would be able to pay NRT at a reduced rate due to services not being provided. The reduced rate of 78% was based on guidance that came from the governor's office, DESE, as well as the DOR. This reduced rate allows the Malden Public School district to maintain the current contract and have NRT ready to provide services when we return to full in-person learning. Ms. Mertz indicated that NRT has been receiving full payment for out of district students that were attending school in-person.

Motion to approve the NRT contract amendment made by Mr. Weldai. Seconded by Mr. Froio. Motion passed unanimously.

Motion to adjourn meeting made by Mr. Weldai. Seconded by Mr. Froio.

Meeting adjourned 5:14pm EST.
