

We've Got You Covered!

Whether you have insurance or not, CHA Teen Health Centers will provide primary care to any high school student.

- If your teen is a CHA patient, we're a part of your primary care team
- If your teen is uninsured, we will provide care at no charge
- If your teen sees a primary care provider in another system, we can still see them

In other words, you don't have to worry about insurance coverage, we'll make sure your teen gets the health care they need at Malden Teen Health.

AFFILIATED WITH

We get it, you have a lot going on...

and coordinating healthcare for your busy teen can be difficult. That's why we make it easy for your teen to get care – right in school. No need for you to travel or take time off from work, just find a time that fits into your student's day and we'll take care of them from A-Z.

Just the right age:

We provide care for students age 12 to 24.

Easy appointments:

Call us at **781-338-0101** or your teen can stop by our front desk to find a time that works.

We're open:

M-W, F: 8:00 AM to 12:00 PM

Th: 8:00 AM to 4:00 PM

During school vacations, your teen can access care at CHA Malden Care Center, 195 Canal Street, Malden, MA 02148.

Keeping Teens Healthy

Sure, we provide primary care – that's an important part of keeping your teen healthy. But we also provide much more.

Primary Care

- Physicals
- Immunizations
- Basic oral health

Mental Health

- Evaluations
- Counseling and therapy
- Substance use counseling

Confidential Reproductive Health

- Sexual and Reproductive care
- Testing/screenings
- Education

Parental consent is needed for primary and mental health care if your teen is under 18. Parental consent is not needed for reproductive health care.

We see all students, and offer access to the CHA network.

We're part of Cambridge Health Alliance (CHA). So whether or not your teen's provider is at any CHA site, we can take care of them here.

Think of us as an extra option that's easy to access. Appointments are during the school day and all your child has to do is walk over to the center.
