1. Elementary Health Curriculum

- Mr. Conefry, shared out the links to the health curriculum. We are awaiting the 1 page information sheet he will send along later.
- Council would like to advocate for an updated curriculum next year.
- Concern over sex ed
- Will reach out to the school committee as well

2. Cultural Heritage Plans

- Student cabinet held their cultural celebration in the library. We are looking to expand this next year. Grade levels are all working on a heritage celebration calendar which the ILT will put together into 1 cohesive resource. The school is always looking for families who wish to share their stories and traditions with the students.

3. School Improvement Plan

- Dr. Murphy shared the draft and we discussed the proposed edits to the plan.
