# DISTRICT PARENT / TEACHER ORGANIZATION (PTO)

## What Is the PTO?

The PTO is made up of local independent groups of teachers, parents and school staff members that function under their own bylaws.

The key mission is to promote an environment where teachers and administrators can do their best work and our students can do their best learning. We support school staff, help promote student self-esteem, and assist in efforts to solve school need through volunteering and funding.

## PTO Programs and Fundraising

We hold several fundraisers throughout the year. Our fundraising efforts provide our school with the funds, programs, resources and services that enrich and maximize the education of every child. Here are a few examples:

1. Transportation for field trips, Book Fair, Special Assemblies
2. Family Fun Nights
3. MultiCultural Events
4. In class enrichment programs
5. Teacher appreciation Luncheon
6. Field Days
7. Spirit Wear

## Become a Volunteer...Why YOU should get involved!

Research shows that students whose parents are involved in their education have better grades and fewer discipline problems. Involvement at the school also makes it easier to establish friendships with teachers and other parents. We promise that the time you give our group and the school will be worth your while—and fun. We have positions and tasks to fit all schedules and interests. We don't expect a huge time commitment from volunteers – even an hour can be a big help to our group and the school.

All volunteers need to be CORled. . Just bring your State issued photo ID to the main office. We recommend starting this process as soon as possible so you are ready to help/be involved.
